Arrest Made in Intrust Bank Robbery

The Wichita Police Department (WPD) has arrested 20-year-old Jeremy Voss of Wichita for aggravated robbery and making a false police report.

At approximately 1:25 p.m. Tuesday, officers were dispatched to a robbery at the Intrust Bank located inside of Dillon's located at 5500 E. Harry.

Upon arrival, officers learned that Voss displayed a note to a teller, which demanded cash and indicated that he had a gun.

Cash was given to Voss, and he left the business in an unknown direction. No one was injured during this incident.

Detectives and officers received information about Voss's location and arrested him in the 1000 block of South Dalton without incident.

The investigation also revealed that Vos called 911 earlier Tuesday and made a false bank robbery report.

This case is an ongoing investigation that is being conducted by the WPD Robbery Section and the FBI.

The case number is 19C046925.
